WORK EXPERIENCE

SEPTEMBER 2023 - ongoing

SENIOR ARCHITECT | DESIGN MANAGER PININFARINA

TURIN / MILAN, ITALY

- Led the design management of **large-scale mixed-use projects in the UAE, NEOM, and Morocco**, overseeing concept to schematic design stages and ensuring alignment with client goals and regulatory requirements while delivering high-quality architectural solutions
- Directed **multidisciplinary design teams**, coordinating closely with engineers, consultants, and contractors to achieve on-time project delivery and maintain design integrity
- Optimized project workflows by **managing timelines, resource allocation, and budgets**, resulting in streamlined processes and efficient project execution
- Conducted **comprehensive design reviews** and managed documentation for authority approvals in the UAE, ensuring compliance and securing approvals for client representatives
- Facilitated collaborative problem-solving and design development by **leading design workshops**

DECEMBER 2019 - SEPTEMBER 2023

ARCHITECT | SENIOR INTERIOR DESIGNER DEGW - LOMBARDINI22

MILAN, ITALY

- Contributed to **projects across Europe, the USA, Saudi Arabia, and China**, focusing on space planning with a strong **emphasis on workplace design**.
- Led a **team as the project leader**, guiding projects from preliminary concept through to development, while effectively managing client interactions.
- Managed project phases encompassing feasibility studies, concept and preliminary design, and detailed design drawings for both exterior and interior spaces, including furniture shop drawings.
- Collaborated with the Cost Control department to **ensure accurate BOQs and maintained project budgets**.
- Served as a committee member for Elle22, an initiative aimed at empowering women in the workplace.

JANUARY 2016 - ongoing

INDEPENDENT DESIGNER

Retail / Residential / Urban design / Furniture design

- Shop (Completed design 2019) Zouk Mosbeh, Lebanon
- Apartment interior (Completed design 2019) Ballouneh, Lebanon

OCTOBER 2016 - NOVEMBER 2016

COLLABORATION, GIOVANNA CAVALLI ARCHITETTO PIACENZA, ITALY

EDUCATION

SEPTEMBER 2013 - JULY 2015

MSc in Architecture, Politecnico Di Milano (Mark 107/110)

Specialisation in Sustainable Architecture of Multi-Scale Projects
MILAN, ITALY

SEPTEMBER 2008 - JULY 2013

BA of Architecture, Notre Dame University

ZOUK, LEBANON

Inspired by art, literature, everyday conversation and (sometimes) by silence. Highly motivated, I believe that beauty is in the details, but also that less is more. Rational but also an advocate of contradictions and absurdities. When I'm not designing, I'm reading and scribbling about it. [@le.s.cribbles](#)
